WHO WE ARE

The United Nations Association of the National Capital Area (UNA-NCA) is a non-partisan 501(c)(3) organization that works with government, academic, and non-governmental institutions in the nation’s capital to build knowledge of, and support for, the United Nations, its mission, and a strong US-UN relationship. We are the largest division of the United Nations Association of the United States of America (UNA-USA).

WHAT WE DO

Networking, Partnerships, Advocacy, Outreach, and Education

UNA-NCA is dedicated to educating, inspiring, and mobilizing Americans to support the principles and vital work of the United Nations, strengthening the United Nations system, promoting constructive United States leadership in that system, and achievement of the goals of the UN Charter. We fulfill this mission by using our unique position in the Nation’s Capital to reach out to local citizens.

In order to carry out this mission we work in partnership with UNA-USA, UN Foundation, and Better World Campaign, the US State Department, District of Columbia public schools and other Washington area NGOs, Universities, and international organizations.

Our relationships with other organizations has given us the opportunity to thrive in advocacy work, generate networking opportunities, and educate through special events. We are also proud of our flagship program Global Classrooms Washington, DC that engages local schools through in-class lessons, Model UN conferences, and a culminating annual conference at the US Department of State.
